2019 Vine Street Improvements Project Weekly Project Update

May 3, 2019

The City of Hudson is currently reconstructing Vine Street from 9th Street to Wisconsin Street. The duration of the project is May 6, 2019 to the substantial completion date of September 30, 2019. Construction includes pavement and curb removals, sanitary replacement, water main replacement, minor storm sewer, curb replacement, pedestrian ramps, bituminous replacement, median reconfiguration and restoration.

Work Completed for the Week of April 29

A-1 Excavating has not yet started construction on Vine Street. On Tuesday, A1 Excavating began bringing in traffic control items.

Work Scheduled for the Week of May 6

A-1 Excavating is planning to begin with shutting down Vine Street to through traffic on Wednesday, May 8th. After the detour is in place, A-1 will begin at 9th Street with removals and pulverizing the old roadway to start sanitary sewer installation on Thursday. Removals and sanitary sewer will resume the rest of the week.

Traffic Impacts

Vine Street will be shut down throughout the duration of construction. All access to homes off Vine Street will always be available from 7:00pm to 7:00am, except during concrete curb and driveway curing time. The currently schedule to reconstruct from 9th Street to 12th Street from May until mid-June and then start on reconstructing from 12th Street to Wisconsin Street. Whenever the crews are not working in front of your property, access will still be available to your driveways. Please refer to the notices that will be delivered or call the City Project Manager for any access questions or concerns. There will be a detour set up on Monday for through traffic. The detour will also be posted along with this update.

Other Notes

If you have any additional questions or concerns please contact the project hotline at (715) 531-2786. To ensure updates you can view the Vine Street Construction Information tab on the City of Hudson's website or subscribe to the weekly updates on under Notification Sign-Up and then Front Page News (under News Flash).
