

JACOBSON WOODS ADDITION
SIDEWALK, CURB & GUTTER REPLACEMENT PROGRAM – CITY OF HUDSON

This notice is to inform you that the City of Hudson Sidewalk, Curb and Gutter Replacement Program will begin August 19, 2010, weather dependent. Willow River Construction is the general contractor for the project. This process will consist of removal and replacement of marked areas of curb, gutter and sidewalk.

Please note that the roads in this development will remain open, with the exception that the entrance to Vine Street that may have to be closed during the day. To avoid delays and to aid in the construction project, the City is requesting that residents use the east entrance off of Grandview Drive.

Once the concrete portions are complete, other street maintenance repairs will begin. This work will include crack filling, flex patching and slurry seal. Notifications will be given out for the slurry seal when a definite date is known. The streets will need to be closed during the slurry seal process for a period of time, normally four to six hours.

To expedite the project and to help assure a safe construction zone, residents are encouraged to obey all work zone signage. Your cooperation is appreciated. If you have any questions, please contact the Public Works Department at 715-386-4767.
